

## LINE CARD Jan 8, 2019

### ACUITY BRANDS

- [-Aculux](#) Residential and commercial precision recessed lighting
- [-Antique Street Lamps](#) Cast Iron / Aluminum "Period" Fixtures and Poles
- [-Gotham Lighting](#) Architectural Downlighting, Accent, Surface, Decorative, LED, CF, HID & Incandescent
- [-Healthcare Lighting](#) Complete line of healthcare related products with focus on Patient Room applications.
- [-Hydrel](#) Well Lights, Landscape Lighting, Specification Grade, and Floodlighting
- [-Indy Lighting](#) Architectural recessed lighting - downlighting, wall washers, cylinders, multi lamp
- [-Juno Lighting](#) Recessed downlight, track and undercabinet lighting
- [-Lithonia Lighting](#) World leader with broadest, most trusted line of indoor/outdoor lighting
- [-Mark Lighting](#) Specification Grade: Pendants, Recessed, Perimeter, Cove, and Specialty Fixtures
- [-OLED](#) The industry's most advanced and complete offering of market ready Organic LEDs.
- [-Pathway Connectivity](#) Lighting control products enabling sophisticated stage and architectural lighting systems.
- [-Peerless Lighting](#) Suspended Indirect/Direct Extruded Aluminum & Steel Lighting
- [-Winona Lighting](#) Custom Decorative, Landscape, and Architectural Asymmetric Lighting

### ACUITY CONTROLS

- [-Blue Box](#) simple, cost-effective alternative to traditional time clocks, twist timers and contractors
- [-Dark to Light](#) The leader in high quality, cost-effective electronic outdoor photocontrols for roadway, area, flood, security and residential applications.
- [-Distech](#) Building Automation and Energy Management Solutions
- [-Fresco](#) High-performance lighting controls for architectural and dynamic lighting environments
- [-LC&D](#) Daylighting Controls and LV Switching Panels
- [-NLight](#) Plug-and-play controls for standalone and networked digital applications.
- [-NLight Air](#) high-performance wireless platform designed for integration into various lighting controls applications
- [-Roam](#) Wireless network control technology for large scale site lighting applications.
- [-Sensorswitch](#) Daylighting Controls and Occupancy Sensors
- [-Synergy](#) Architectural Dimming
- [-XPoint Wireless](#) Flexible lighting control system

### ACUITY COMPONENTS

- [-Power Sentry](#) Technologically advanced emergency battery backup products for LED & fluorescent fixtures

[-EldoLED](#)

World leader of intelligent drive solutions for LED based lighting systems.

[-Reloc](#)

The industry leader in modular wiring providing flexibility to relocate lighting, controls and electrical devices as needs change.

[ACUITY DAYLIGHTING](#)

[-Sunoptics](#)
